

## Welcome to the GINCO website

GINCO is a Grundtvig funded international consortium aiming to create a European wide network of adult education organisations actually running Grundtvig courses or willing to do so in the future.

The aim of the network is to share expertise, to create and share useful material and to enhance communication and cooperation in order to improve the quality of Grundtvig courses, to enlarge the scope of provision and to improve the visibility and success of the action and the courses.

This website will give you more information on the activities of the network and access to all networking tools and material that will be developed in the coming years.

Furthermore, the website contains materials and tools developed by the GINCO Tools & Training project. GINCO T&T is a GRUNDTVIG multilateral project that aims at to raise the level of professional competence of the people (trainers and organizers) involved in Grundtvig in-service course organization.
